

## Book of Remembrance Order Form

The Book of Remembrance is on view daily and provides an inexpensive yet permanent memorial. Entries can also be made for people whose Funeral took place elsewhere.

The Book consists of a number of handmade, richly-bound volumes and has a page for every day of the year. The entry is usually placed on the date of death, but can also be entered on other special dates, such as the date of birth. Flowers and cards can be placed alongside the Book of Remembrance.
